City Council OKs Lake Fest with changes, charges

By Rosemary K. Oztman
 Independent Editor

“Lake Fest – Boats, Beats, and Bites” will be laid out about the way it was last year and it will pay for police, fire, and DPW services.

This was the basis for the unanimous approval of details for the June 24-26 event after a long discussion at Monday’s regular meeting of the Belleville City Council.

City Manager/Police Chief Dave Robinson said he and the Lake Fest committee at the Chamber of Commerce have emailed back and forth about details. He said they didn’t think they needed police and fire protection, but with 5,000 to 10,000 people expected he didn’t agree.

Chief Robinson said he is in charge of personnel and he would send some home if they weren’t needed, cutting the cost. He said he gave them an estimate of \$4,700 tops to provide police, fire, and DPW and this hasn’t been accepted. He said the Strawberry Festival had costs of \$8,000 to \$9,000.

Chief Robinson said he asked the committee to contact the churches in that area, especially the Baptist Church which is completely surrounded by their festival and they didn’t.

He said he had concerns on the way to access an ambulance if they put everything on High Street this year, since there was no emergency route.

Robinson said he would like to have a complete application brought back to the council at its next meeting to address concerns.

Theresa Antonelli, vice chairperson of the Chamber, represented Lake Fest in the absence of Chamber CEO Mike Kole, who was the “Responsible Person” listed on the application. Councilman Steve Jones, chairman of the Chamber board, was listed

On Saturday, City of Belleville fire fighters, auxiliary and friends stood for four hours on the corner of High and Main streets in the Fill the Boot for Autism campaign that raised \$4,200 for the Autism Alliance of Michigan. This broke their previous record of \$3,000 for autism.

Belleville fire fighters thank all who donated

To the editor:

Saturday, April 2, the Belleville Firefighters Association along with Belleville Fire Auxiliary and several volunteers raised over \$4,200 with their 10th annual “Fill The Boot for Autism Campaign.”

Thanks to our Extremely generous community, 100% of the money raised will

be donated to Autism Alliance of Michigan.

Autism Alliance of Michigan is leading efforts to make Michigan a better place to live for people with autism and their families. Their impact on families, communities, lawmakers, and service providers is not possible without the generous support from communities like Belleville, Sumpter, and Van Buren.

We would like to say THANK YOU to all of you that stopped by on Saturday to show your support. This is what community is all about.

as “Alternate Responsible Person,” but he let Antonelli handle the discussion for most of the time.

Antonelli asked if the city would like to go back to last year’s layout, which involved shutting down Main Street. “One of our main arguments was it was called Lake Fest, but not much was on the lake.”

She said they are down to the wire in planning and don’t want to delay approval to another meeting.

Fire Chief Brian Loranger told her they needed to move the tents back on Main Street so emergency fire vehicles had room to get through.

Councilman Jones said if they put the tents by the gutters, where people would pile up their things, and it rains they would get washed out.

Chief Robinson said he wants snow fencing to cut off people cutting through the church property and he would like the church to support this event, in the spirit of being a community.

“There shouldn’t be an issue with putting up a barrier,” Jones said.

Antonelli said the dragon boat event has been moved to Saturday so it doesn’t interfere with church services. She said the shrimp broil by the educational foundation is still on.

Chief Robinson asked for a run-of-show document like he got last year to show the times everything is scheduled and Antonelli said it was something she could get him.

“We at Grace Baptist Church support activities of the city,” said Pastor White as he rose to address the council. “I let Music Lakeside use our water and electricity when they began... I enjoy music on the lake. It’s a wonderful event and Belleville can be very proud of what it has become.... We don’t always enjoy the music, but that’s when it’s our night out for me and my wife.”

He referred to prepared notes in relation to this year’s Lake Fest where he said he was against the set up at High and Roys streets. His driveway is cut off and his residence is completely surrounded by activities. He said besides the church, that’s his private residence as well. He said on Music on the Lake nights if he doesn’t sit on his deck or stand in his yard people cut through his property. If they see him there, they don’t and he doesn’t like to have to do that.

“I would like to have a call or visit” if events are being planned in that area, he said. He said if he hadn’t come down to talk to Chief Robinson, he wouldn’t have known about this year’s plans. He said Chief Robinson said he thought he was coming because he was mad about Lake Fest and he didn’t know. What he had

wanted to talk about was the BORA DORA district.

Pastor White said he supports going back to last year’s locations.

“I’m not hard to get along with,” he said. He urged them to get off Roys Street and to give the preacher a call.

One of his church members said if someone is cutting through the church property and gets hurt, the church could be liable.

Antonelli said if Chief Robinson would give a smaller, itemized breakdown of the costs for public safety, such as the number of officers times the number of hours, she thinks that would satisfy Kole.

Chief Robinson said this not-to-exceed quote of \$4,700 depends on what happens and the weather. He said he was charging them overtime, not the straight time or FICA, healthcare, etc. and he thinks it’s reasonable.

“Last year I was told how many,” he said. “That’s up to nobody but me. I decide who’s working and where. It’s up to me.”

“You can’t have an event without public safety,” said Mayor Pro Tem Ken Voigt. “I did have an issue with use of Roys Street.” He said with music at the Fourth Street Square planned, in their original layout for this year, pedestrians would have to negotiate Saturday traffic on Main Street and that would be a mess.

Earlier in the meeting, Pastor White rose to speak about the BORA DORA boundaries where people are allowed to drink alcoholic beverages outdoors. He asked the city to reassess the borders and move the border to the park sidewalk of High Street. He said the boundary on the lake side would help keep people who are drinking out of the church area and his private home area.

He asked that the area on Roys that is part of the district should be shortened because two churches and a library are in that area.

“We’re promoting alcohol around town and should be more discriminating,” he said.

Pastor White said they had church services on Wednesday and people came out of church and saw empty DORA cups in the church alley. He said it looks like the church members support drinking.

Mayor Pro Tem Ken Voigt, who was presiding over the meeting at that point, said Pastor White’s concerns would be considered.

In other business at Monday’s one-hour-and-48-minute meeting, the council:

- Approved and signed a proclamation to honor and recognize the owners of Crafted Gift Shop & Beanery for the establishment of the Jeremy D. Stovall Splurge Foundation;

- After a public hearing in which no public spoke, approved Ordinance #1000-the Amendment/Addition to the Post-Construction Stormwater Management

Ordinance, as required by the state;

- Approved the Knights of Columbus fund raiser as requested by Marcel LeBlanc for Tootsie Roll hand-outs for donations on Friday, Saturday, and Sunday, April 8-10 at Five Points;

- Approved the annual VFW 4434 and PLAV 167 Poppy Sale, as requested by VFW Commander John Blackstone for May 5-7 at several intersections;

- Approved the Cub Scout Pack 793 Flower Sale as requested by Christopher Zweng from 8 a.m. to 4 p.m. on Sunday, April 10, at the Fourth Street Square to earn money for scouts to go to camp this summer. The potted plants are furnished to the scouts by Garden Fantasy;

- Approved, on a 4-1 vote with Councilwoman Kelly Bates voting no, the Pioneer Landscaping estimate of \$4,990 for lawn maintenance on extra locations of city property, taking out the location on the boulevard in Victoria Commons since Councilwoman Bates said the homeowners’ association should be responsible for that. She said she thinks the city workers should cut the properties;

- Approved a resolution to support the city’s application for a \$245,000 grant through the county to upgrade Victory Park and Victory Station;

- Approved a resolution to put the city funds billed by Great Lakes Water Authority for money owed by Highland Park into an escrow account for the rest of 2022 and into 2023 until the legalities of the charges can be worked out in court or through the state. Since 2012, Highland Park has accumulated \$54,233,700 in debt to GLWA for both water and sewer services. Of that debt, 36% has been allocated to the 18 paying members in Wayne County including \$10,200 to the City of Belleville. Since the State of Michigan ordered GLWA to provide water and sewer services to Highland Park when its water treatment plant failed, the resolution also asks that the Legislature solve the problem it started and repay the members, including Belleville, for what they have paid for Highland Park’s benefit;

- Approved the Masonic Lodge’s flower sale at its location at 515 Main St. on April 15 and 16;

- Approved unanimously the *Independent’s* request for the city to pay \$7 per column inch for legal notices instead of the \$5 per column inch charged since 2014;

- Approved accounts payable of \$204,392.82 and the following departmental purchases in excess of \$500: to Cadillac Asphalt, \$520.95 for road patch, DPW Department; and to Hennessey Engineers, \$1,192.50 for MS4 Permit Work and \$2,071 for Stormwater Ordinance, DPW Department;

- Heard Councilwoman Bates ask for someone from the state or elsewhere to come to the council to discuss Belleville

Lake’s health and PFAS. She said this could coincide with the Lake Fest activities since she has reason to believe the lake’s health has improved;

- Heard Mayor Conley report on a meeting she attended with representatives from Sumpter and Van Buren Township to talk about what comes next for the museum. She said Van Buren Township has hired a museum consultant and the township will be looking for input and will have surveys to find what the people want to see in a museum. There was talk about a traveling exhibit put at the library. Tom Fielder said he and John Juriga have worked with the museum for 45 years and no one called them for any information in the two-and-a-half years the museum’s been closed. Mayor Conley said the evergreen tree is going away and they are considering if the museum should be in the archive business. The question is, “How do we best use the museum?” she said; and

- Heard City Manager/Police Chief Dave Robinson say the building next door to the police department has to be down by May 2.

Furman fails to appear for charges in Belle Villa mobile home park

By Rosemary K. Otzman
Independent Editor

Paul Elexander Furman, 28, of the City of Belleville, is charged with unlawful imprisonment, assault with intent to do great bodily harm less than murder, and domestic violence on Aug. 21 in Belle Villa mobile home park.

He was present before 34th District Court Judge Brian A. Oakley on Sept. 1 from the Wayne County Jail where he was being held on bond of \$20,000/10%. His defense attorney Wanda Cal said she did not have discovery and so the probable cause conference was adjourned until Sept. 22 and then adjourned to Oct. 20.

The live preliminary exam was set for Nov. 23 and after the exam he was bound over to circuit court. The bind-over packet was sent to circuit court on Dec. 10 and he was arraigned on the information Jan. 12. A calendar conference was set for Feb. 22 before Judge Mark Slavens and then set for Feb. 24. He failed to appear, so a warrant is out for his arrest. A final conference was set for April 14.

Stephen Micheal Baker

Stephen Micheal Baker, 55, of Van Buren Township, waived his preliminary exam on Aug. 25 before Judge Oakley and was bound over to circuit court for a Sept. 8 arraignment on the information. He is charged with operating while intoxicated—

COVID seems to have blown away

Throughout the community, events are opening up with everyone turning their backs on the two years of coronavirus fears. No masks required at any municipal meetings now.

After two years of delay, the library is able to have its grand opening and ribbon cutting, without masks, which has been the dream from the start. There will be a lot of smiling faces this Saturday at the 1-3 p.m. event, and we'll be able to see each other because faces won't be covered.

At Monday's regular city council meeting, VFW Commander John Blackstone asked the council if it would be OK to have a full Memorial Day service this year and Mayor Kerreen Conley said she thought it would be fine.

Last year the Memorial Day service was brief and supposedly wasn't open to the public, but the Navy JROTC marched over from the high school and it was a very nice event because the teens and their parents and grandparents were there. It was supposed to be a low-key event but it kind of got out of control and it was nice.

This year we expect it will go back to a full ceremony, with a story or two about local veterans named on the monument and laying of wreaths by several groups. Pastor White already has been asked to speak.

Sumpter Township Parks and Recreation has announced a list of events after two years of COVID. The bunny is coming to Graham Park at noon on Saturday. No masks required.

EXTRA THINGS I KNOW

According to the listing on the Secretary of State's website, as of Monday, April 4, the following people from the tri-community have filed for the August primary:

- James Chapman, R, listing a Belleville post office box as his address, has filed for 4th District State Senator. Beth Socia, R, of Flat Rock also filed for that seat, along with Darrin Camilleri, D, of Trenton;

- Joe Bellino, R, of Monroe, who is now state representative representing Sumpter Township, has filed for the 16th District Senate seat, along with TC Clements, R, of Temperance and Katybeth Davis, D, of Monroe;

- Jack Richert, R, of Clark Road in Belleville filed for 29th District Representative, along with Brian Warzocha, R, of New Boston, James DeSana, R, of Carleton, and Alex Garza, D, of Taylor;

- Two Van Buren Township Democrats have filed for 31st District Representative: Reggie Miller of Pond Bluff Drive and Glenn R. Morrison, Jr. of Walden Drive; and

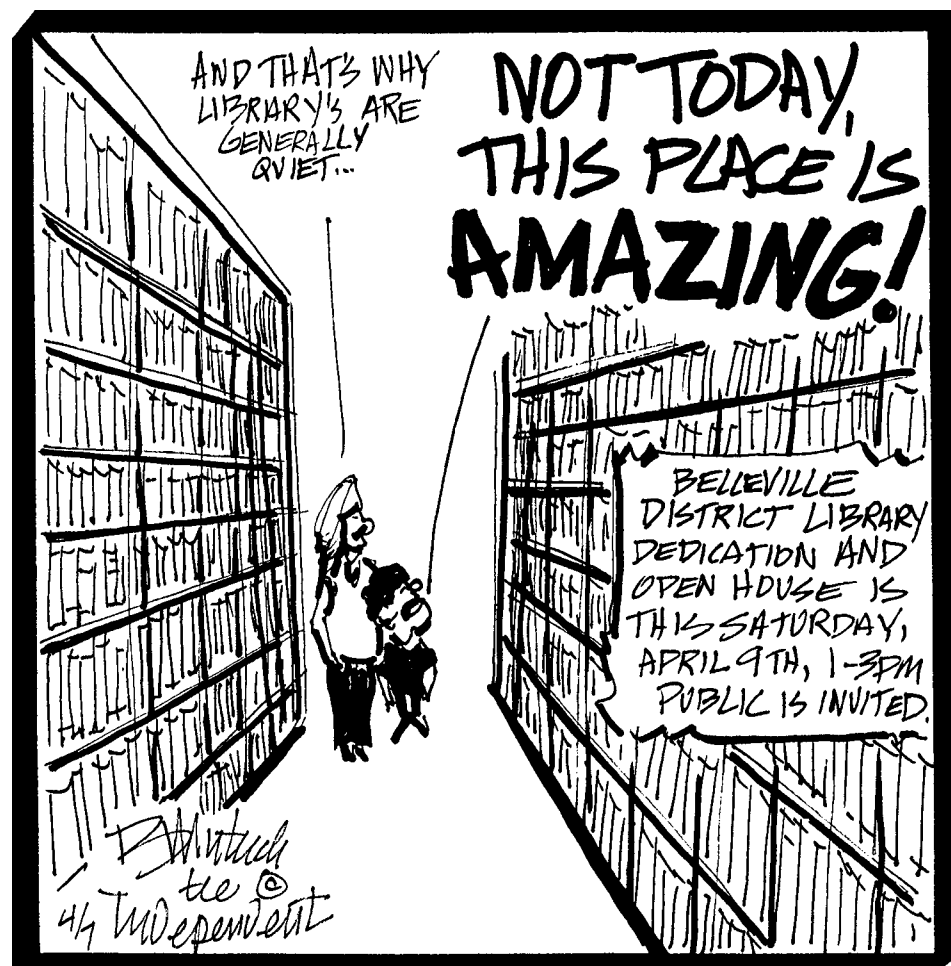

- Judge Brian A. Oakley has filed for reelection as 34th District Court Judge for a six-year term. Others have until April 19 to file to run against him.

This is just the beginning. Political candidates and Independents have until July 21 to file for the Aug. 2 primary election. Write-ins have until July 22.

We're in the new MI-6 Congressional District and Debbie Dingell, D, is moving from Dearborn to Ann Arbor to run in that district. Whitney Williams, R, also has filed for MI-6.

On Saturday we took a picture of the Fleming family as it dedicated a metal

...By Rosemary K. Otzman

bench in front of the Belleville Area District Library to Ray and Betty Fleming.

Next to that bench is another metal bench with a quote by author Neil Gaiman: "Read. Read anything. Read the things they say are good for you, and the things they claim are junk. You'll find what you need to find. Just read."

Library Director Mary Jo Suchy told me that bench was donated by Marjorie Lynn, a member of several library book clubs.

While the Fleming family was lining up behind Ray and Betty for the group picture, one of the sons called out in alarm. He saw the blue sign put up by library board member John Juriga behind the Fleming bench that proclaims: "DOG LIBRARY - Take one, leave one," which was next to a pile of sticks. It's a light-hearted library service for dogs to bring a smile to visitors.

But, the Fleming son thought he had somehow walked into a "doggy-do" area. Once it was explained, everything settled down.

We understand the outdoor sculptures that were leased for a year by the DDAs for the City of Belleville and Van Buren Township displays are scheduled to be replaced with the new sculptures on May 10. They'll stay in place until next May.

At Monday's city council meeting, VFW Commander John Blackstone asked the council if it thought a full Memorial Day

service could be held on High Street this year. Mayor Kerreen Conley said she saw no problem, so Blackstone said the VFW would work out the details and submit a special event application to the city.

We've been told the 15-year-old boy who recently brought the gun to Belleville High School has been expelled. His case is working its way through juvenile court.

On Monday, a ceremony was held at the North Terminal at Detroit Metropolitan Wayne County Airport to rename the facility to honor Wayne County Executive Warren Cleage Evans. I called a person who had submitted an obituary to ask her a question and she said she would have to call me back because she was at this ceremony that was going on at the airport.

This is not to be confused with the terminal named for a former Wayne County Executive Edward McNamara, which still carries his name.

Don't miss the festivities at the library from 1 to 3 p.m. Saturday. After two years of coronavirus delays, the new library in downtown Belleville can finally have a ribbon-cutting and grand-opening party without masks.

Cost of our Post Office Box increased by \$190

To the editor:

I wanted to alert your readers that have a P.O. Box at the Belleville post office that they might be shocked at the price increase when they go to renew their box.

The nonprofit I work for paid \$122 last year for their P.O. Box. That was the 12-month rate. They just got the invoice to renew for the coming year and it has gone up to \$312 for the same box. That's a \$190 increase! We checked the rates online and they are correct.

I know the post office has been raising shipping rates but we never saw a notice the P.O. Box rates were going up to this extreme.

Lula May Smith

LULA MAY SMITH
 (November 28, 1921 – March 31, 2022)
 Lula was born on November 28, 1921 in Ashville, North Carolina. She was the widow of the late Louis Smith.

Lula was a blessing to the union of Matt Smith born in Saluda, South Carolina, and Cornelia Smith (nee Rice) born in Clinton, South Carolina.

Lula was predeceased by all her siblings: Sister Rena, Brothers Matt, Ulysses and Elijah.

Lula attended school in Ashville, North Carolina, and came to Detroit, MI in 1948. Lula has been on the Battle Fields a long time. In Ashville she was a member of Antioch AME Church, which the Rice family started. In 1948 she moved to Detroit, joining True Love MBC. Lula left Detroit in 1976 to enjoy her home that her husband Louis had built for her at 12730 Rawsonville Rd., Belleville, MI.

Lula then joined First Missionary Baptist Church in Sumpter Twp. There she was President of the Altar Circle, member of the Missionaries Society, sang in the Adult Choir and was a Devoted Mother of the church after 40 years of service at First Missionary Baptist Church.

Mother Smith moved her membership to New Creed MBC and remained there until she was called to move into her new HEAVENLY home. Mother Smith married Louis Smith June 22, 1956 in Toledo, Ohio. No children were born into their union, so while caring for her sister's six children they adopted Stephanie. She was a cute little 4 yr. old and the apple of her Daddy's eye.

Mother Smith was employed at Montgomery Wards for 25 years. After retiring from Wards, she began a career in Foster Care and served another 23 years caring for over 29 children that were in need of loving care.

Mother Smith enjoyed making ceramics, cooking her famous pound cakes taught to her by Sinnie, gardening, quilting taught to her by Karen, and dancing, going to Lincoln Golden Ages Senior Center and the Sumpter Senior Center where she did her NON-STOP TALKING and BOSSING.

Mother Smith leaves to cherish warm memories daughter Stephanie; 3 granddaughters Tanisha, Cornelia and Breana; 7 great-grandchildren; nieces/daughters Valerie, Diane and Lula; nephews/sons, Robert, Michael and Ulysses; her Earth Angels Karen Mickens and Sinnie Jackson; host of nieces, nephews, cousins, and many friends.

Mother Smith was often asked what's your secret to long life, and her answer would be, "Trust in the Lord."

Service will be Saturday, April 9, 2022, with 11 a.m. viewing and family hour and 12 p.m. funeral at Michigan Memorial Funeral Home, 32163 Huron River Dr., Flat Rock, MI.

MDOT to host Ford Rd. meeting April 26 with Wayne Co., Canton Twp

The Michigan Department of Transportation (MDOT) will host a public meeting to discuss an overview of a planned M-153 (Ford Road) project.

MDOT, Wayne County, and Canton Township are partnering up to rebuild M-153 (Ford Road) between Sheldon Road and I-275, including boulevards to eliminate left turns.

The meeting is for MDOT, Wayne County, and Canton Township representatives; residents, business owners, community leaders, and media.

The meeting is set for 5 - 7 p.m. on Tuesday, April 26, at Summit on the Park, 46000 Summit Parkway, Canton Township. There will be scheduled presentations at 5 and 6 p.m. to hear more about the project plans, ask questions, and provide feedback.

The collaborative redesign is expected to reduce the high volume of crashes which have occurred in this area. Lighting and signals will be upgraded along with new signals added. Utility work includes drainage improvements for storm water and watermain work.

The M-153 (Ford Road)/Haggerty Road intersection will be rebuilt with boulevards in all directions. The north side of the intersection will have a narrower boulevard to provide additional room for large commercial vehicles to turn.

There will be intelligent transportation system (ITS) work and necessary pavement repairs on M-153 (Ford Road) between I-275 and Lotz Road.

Public input is being sought to help MDOT recognize and address any concerns that may result from the project. Provide concerns and comments by e-mail to Adam Penzenstadler at MDOT-Metro-TaylorTSC@Michigan.gov, or by mail or phone to Monica Monsma, MDOT Environmental Services Section, 425 West Ottawa St., P.O. Box 30050, Lansing, MI 48909, (517) 335-4381.

Accommodations at the meeting can be made for persons who require mobility, visual, hearing, written, or other assistance for participation. Large print materials, auxiliary aids or the services of interpreters, signers, or readers are available upon request. Contact Orlando Curry at (517) 241-7462.

On Monday, Belleville Mayor Pro Tem Ken Voigt presented a proclamation signed by the city council to the parents of the late Jeremy D. Stovall to honor their establishment of the 501c3 non-profit Jeremy D. Stovall Splurge Foundation in his memory. Carmen and David Stovall, who with Jeremy founded the Crafted Gift Shop & Beanery in Belleville, said the third-annual "Splurge Day" is April 16, Jeremy's birthday. "Splurge" was the nickname for Jeremy, a 2011 graduate of Belleville High School who was killed by a drunk driver. The mission of the foundation is to "love, give, uplift and inspire," they said. From 1-4 p.m. on April 16 in the coffee shop parking lot, they will be accepting donations and hold a silent auction to benefit Guiding Harbor.

Public invited to watch Tiger Elite perform at BHS on April 11

The public is invited to a Friends and Family event in which the Tiger Elite Winter Guard will perform at 7 p.m., April 11, in the auxiliary gymnasium at Belleville High School.

Tiger Elite Winter Guard has been working hard this season in the Michigan Color Guard Circuit and it is anticipating that several other performance units will be in attendance at their event.

The Tiger Elite Winter Guard is the winter ensemble for the BHS Color Guard that performs in conjunction with the BHS Marching Band, which sponsors the group.

It is an independent unit that has members from BHS, as well as a large area in Southeast Michigan and northern Ohio, said Sarah Moon, Tiger Elite co-director and Belleville Color Guard co-director.

The Belleville High School Color Guard is restricted to only BHS students, whereas the Tiger Elite independent unit can have members aged 15 - 24. They rehearse every Monday and Thursday at McBride Middle School, and Saturdays at Trillium Academy in Taylor. The group is competitive within the Michigan Color Guard Circuit and Winter Guard International.

This Tiger Elite unit performs a show in a gym with flags, rifles, sabers, and dance

that is comparable to the performance that the outdoor marching band color guard performs with the marching band.

Moon said, in short, the members perform

outdoors in the summer and fall and indoors with Tiger Elite in the winter and early spring. The state championships were held April 2 at Saginaw Valley State University.

This year's show is "Resilient Little Thing" with music from Misterwives, drill from Jason Kazmierski, and choreography from Cameron Smith, George Wechter, and Iggi Courter. The general instruction staff is Rhiannon Patrick and Kimberly Dale. Directors are Stephanie Lee and Sarah

Moon.

Its website is www.tigerelite.org.

ORPHAN OF THE WEEK SESAME

HI, I'M SESAME!

I'm a fun, energetic 3 year old mixed breed who is ready for action! If you're looking for an exercise buddy, I will be the best motivator you'll ever need. I'm a goofy, active boy looking for an energetic family full of fun and adventure! I love to RUN... RUN...RUN and would like a home with a large fenced yard so I can run when the zoomies hit me. I would LOVE an outgoing brother or sister that can keep up with my energy. I enjoy playing in the yard with big dogs here at the shelter!

Since I can get very excited, a home with older children would be best for me. I'm not sure if I like cats. Sometimes they scare me! If you will be patient and promise to give me proper training, socialization, and exercise, I promise to do my very best to be the dog that you dream of.

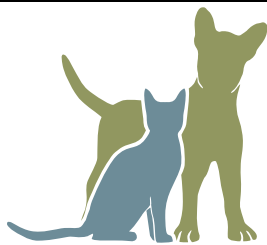

****Each dog is different, so each adoption is different. Our adoption process might require multiple visits to the shelter before our dogs can go to your home for a sleepover. Or they may be ready on the first visit - it really depends on the dog and the potential adopters. He's neutered, vaccinated, micro-chipped and heartworm negative.**

On Saturday, Ray and Betty Fleming were surprised to learn a bench in front of the Belleville Area District Library had been dedicated by their family in their honor. The Flemings were longtime residents of the City of Belleville and in 2018 moved to senior living facility in Canton. The bench was installed a couple of weeks ago and on Saturday family members treated the Flemings to a "Mystery Trip" to unveil the bench. The metal tag reads: "In honor of Ray and Betty Fleming. Their shining example of love one another will echo for generations to come." Standing behind the Flemings are Dan and Nancy Fleming, Rayleen and Rick Morgan, Bob and Sharon Fleming, Library Director Mary Jo Suchy, Patty and Ron Riggio, along with grandchildren Tom and Jackie O'Neill with infant Sutton, Cole Fleming, and Roxanne Riggio.

Millie Baker of the City of Belleville turned 96 years old on Saturday and that occasion was marked by a big sign in her front yard. She said her neighbor across the street, Lacey Marcotte, put it up and Marcotte put up a sign last year as well for Baker's 95th birthday. Before retirement, Baker ran a business in Willis for many years and is the widow of the city's former fire chief and planning commission chairman Bob Baker.

Court watching

(continued from page 3)

3rd offense on Dec. 1, 2020 in Sumpter Township. His \$5,000 personal bond was continued.

The Sept. 8 date was reset by the court until Sept. 16 and then a calendar conference was set for Sept. 30 and the

final conference was set for Nov. 18 before Wayne County Circuit Court Judge Mark Slavens. The final conference was reset to Feb. 10. The pre-trial was Feb. 15 and then reset to Feb. 28 and then continued to March 25 and then to April 14.

Tony Keith Duncan

Tony Keith Duncan, 52, of Van Buren Township waived his preliminary exam before Judge Oakley on Aug. 25 and was

bound over to circuit court for a Sept. 8 arraignment on the information. A pre-trial conference was held on Nov. 15 and a final conference was set for Feb. 3. He was free on \$5,000 personal bond.

Duncan was charged with possession of narcotics or cocaine less than 25 grams and six felony firearms - weapons charges on July 16, 2019, brought by MNET.

On Feb. 3 he pled guilty to possession of controlled substances (narcotic or cocaine) less than 25 grams and the other charges were dismissed. Sentencing was set for March 31, and then adjourned to April 7 at the request of the court.

Toni Lynn-Marie Davis

Toni Lynn-Marie Davis, 31, of Ypsilanti, was before Judge Oakley on Sept. 1. She was arraigned and had her pre-trial adjourned until Sept. 15 so defense attorney Jeffrey Bennett could get his discovery.

Davis is charged with one count of assault or assault and battery on June 19 in Van

Buren Township.

On Sept. 15, Assistant Wayne County Prosecutor Jane Gillis said she had sent the discovery and Bennett said he doesn't have it and wants the video, as well. Judge Green adjourned the pre-trial until Oct. 6. The final pre-trial was set for Oct. 27 and then reset to Nov. 10.

On Nov. 10, the victim was present, and although a plea deal was presented by Prosecutor Gillis, attorney Bennett asked for an adjournment so he could discuss this at length with his client. Judge Martin adjourned it until Dec. 1 after Bennett said defense would waive the required presence of the victim at that time.

Gillis had proposed to reduce the charge if Davis pled guilty to assault and battery, under advisement for six months, an anger management class, and \$1,600 restitution.

On Dec. 1 a live bench trial was set for Jan. 12, but a motion by the defendant was made instead and the charge was dismissed by Judge Green with an order of *nolle prosequi* (will no longer prosecute) entered.
